I said I'm ready for the weekend
So you know what it is
Little love but it's seasoned
We gon roll up again
I wanna get high, so blowed tonight
I wanna get high, so blowed tonight
So hiiiiiiiiiiiiigh
So hiiiiiiiiiiiiigh
Chillin in the backseat
Everything loud
We walkin the door and they reachin forward, they
can't ignore
Sparkles on the bottles, girls going wild
A night like this won't end so fast, I could
I wanna get high, so blowed tonight
I wanna get high, so blowed tonight
So hiiiiiiiiiiiiigh
So hiiiiiiiiiiiiigh
Buckle your seatbelts, enjoy the ride
This is a mission for the missin, information's advised
Ladies, come with me and then take it easy
Here's a bleazy for you and your friend, I light it up
All I know is that we bout to get blowed
You'da sit knock back
Now baby girl let's roll, I let my mind go with the whirl
But then blaze up the change up
The game up, raise up
Finaleave minor league, now I'm living major
Sittin on smoke alarms like the sky pager, Ali and
Fraser
Smoke rains appear, the king is here
Power to the people
I-I-I wanna get high, so blowed tonight
I wanna get high, so blowed tonight
So hiiiiiiiiiiiiigh
So hiiiiiiiiiiiiigh
I wanna get high
So blowed
I wanna get high
So blowed, so blowed, so blowed, so blowed
So blowed

I wanna get high
So blowed
So hiiiiiiiiiiiiigh
So hiiiiiiiiiiiiigh
Hiiiiiiiiiiiiigh
Hiiiiiiiiiiiiigh
