[B.o.B. - Verse 1]

Well, if you guessin' it's me, you guessed correctly  
I just stay with a stallion, you would swear I was an  
equestrian  
I hit her with that pipe, call that Nancy Kerrigan  
Stay on the greenest greens, call us vegetarians  
You be on that minor league, but we smoke  
professionally  
I do my job exceptionally, on point like a decimal is  
The way I ride on the beat man I be in the street it's  
done so effortlessly  
Yeah, so these niggas can't sleep on me, there's no  
Inception in this bitch  
I'm top chef, you top ramen, I'm top shelf  
No last call, to the bartender, what you got left?  
Pour it up, don't stop there, hold your cup, take a shot,  
yeah  
All night we celebrate, cause we everywhere and you  
not there  
Ha,

[Hook] (x2)

All we do is pour it up  
All night, drinks out  
(That's how we do it)  
(That's how we do it)  
And all we do it light it up  
All night, all you see is strange clouds  
strange clouds, strange clouds

[Lil Wayne - Verse 2]

Blue jeans, I'm faded, mindin' my own data  
Smokin' on that strong, that Arnold Schwarzenegger  
It's Tunechi Lee you bitch you, you hot as an igloo  
Kick back on that glock, call that Ju Jitsu

Hello World, I'm with a yellow girl, number 2 pencil  
These rappers is washed up, spin cycle, rinse you  
My nigga, all day, all night, half pipe  
I dive in that p-ssy, yeah I belly flop, I jackknife and shit  
And tell my homies that I say its a party  
Got that tech for technical difficulties

I'm top dog, you top ramen, I'm top dog  
Piru, gangsters, outlaws  
(Young mula Baby)

[Hook] (x2)

[B.o.B - Verse 3]

Well aint no question, yes, it's B.o.B yes definitely  
Up in the studio, I got on my necessities  
If you want that real shit, you made the right selection  
I'm Decatur til I die, yes, I rep that definitely  
They say I'm a celebrity, what the f-cks a celebrity?  
I guess I must invest in the proper form of protection  
And I, say its a curse but it's emotionally a blessing  
To a nigga from the hood tryna aim for the top  
But I don't even need no directions  
I just wake up and then I roll up the purp  
These niggas wake up on my dick  
At least have some breakfast first  
Nigga keep your nourishment first and your mind on  
my lyrics  
Cause what you hoping to accomplish I already did it  
bitch
