Well you know who it is  
you aint even got to ask it  
I am not the best I am the next level past it  
(x3)

Haters see me passing like damn that bastard  
(dammit)  
cause they outta style like the waterbed mattress  
yeh yeh, they thought I fade to the blackness  
now they see me everywhere like Samuel L Jackson  
(muthaf-cker)  
but I aint acting IÂ'm only giving classes  
by the looks of these grades n-ggas aint passing  
no itÂ's crazy how these n-ggas think,  
they be acting like Howard in the paint  
like trees and collie all I do is blaze  
and they say IÂ'm like a zombie  
cause all I want is brains  
mine, yes mine mine mine  
yeah you look good girl but what is on your mind  
Think about it cause all these dimes is nationwide  
they just wanna be on my side  
but baby this is all I can provide  
the whole town will have water if I lay this pipe  
IÂ'm on top of the World and IÂ'm so high and  
I gotta drop down just to catch my flight  
yikes, what amazing heights, Gee wilikers batman,  
holy satelites  
who the hell are you to tell me ease up on this mic  
cause sadly you mistaken me for someone that IÂ'm  
nite  
I mean not, I messed up, but I rock with this stuff  
so my stocks just went up  
you know my flow  
yeah itÂ's B dot O  
yeah itÂ's B dot O  
yeah itÂ's B dot O  
and you know my flow  
yeah I hear them talking with that raspy sh-t (shhh)  
but whatÂ's an upper classman to a graduate  
I said (mumbles?) to it

Iâ€™m just playinâ€™ with these n-ggas I aint mad at â€™em  
but since you critics want to be that adamant  
I guess I give you reason to type on your keyboard  
again  
yeah I buy buzz and got the whole web chattering  
how ironic in my past what I say ainâ€™t matter then

well it comes with the territory  
my life is not an ordinary story  
no and I aint talking big this is just how I feel about the  
situation that Iâ€™m in  
yeah, no you can never walk in my shoes dawg  
even if I got my dude to make your shoes dawg  
chu know about the south we go the fools dawg  
your girl says she loves the country smooth drawl  
thats why thereâ€™s groupies ready to remove drawls  
they be going heavy duty til that gooâ€™s gone  
every single day I wake up to a new song  
thats the sound of my formal introduction  
I mean â€™tionâ€™, wassup you know my flow  
cause itâ€™s B dot O  
and itâ€™s B dot O  
and itâ€™s B dot O  
you know my flow  
so to all the people thats about to hate it  
hereâ€™s how I feel about you (burps)  
there I demonstrated  
ha, a politican so opinionated  
so my style is addictive like simple lemonade is  
Iâ€™m in the builing and Iâ€™m finna hit the stage  
you can feel the tension and the sense of mental  
stimulation

if sheâ€™s with me than sheâ€™s not your lady  
and as we can see, she loves my babies  
me go so crazy me go so loco lately  
mostly because they raised me  
no heat no cold no AC  
yeah Iâ€™m jsut syaing how I feel up in this booth  
One of yâ€™all surprise me and do something new!
