Well, I know-  
I'm gonna have to go  
As far as style wise  
I'll impress-  
And I'm gonna get access  
To you

So please strip off your reserve  
And take a look at me

Take a look, take a look (take a look at me)  
Take a look, take a look (I'm trying hard, baby)  
Take a look, take a look (take a look at me)  
And then you looked at me

Well, let me guess-  
That the things I confess  
Make you sick  
But let me say-  
That the day of my decay  
Came up together with you

So please strip off your reserve  
And take a look at me

Take a look, take a look (take a look at me)  
Take a look, take a look (get a move on!)  
Take a look, take a look (I'm trying hard, baby)  
And then you looked at me
