[Intro]

Yeuh,
To all my smokers and my hundred blunt rollers
No no no no I'm talkin bout
Real tokers who aint never ever sober
Hahaha sober! ahhhhh
Yeuh yeuh yeuh

Check me out now
Go head then..

[Verse 1]

Allow me 2 introduce myself again
Bobs at tha office but bobby ray is in
Please leave a message wait let me get a pen
I dont really need it cuz I spit it off the list
And everytime I come around I look like I'm a pimp
Really thats the dip because tha benz is on my hip
They love me cuz I tell them what they really wanna
hear
Slap by on that booty with a hundred dolla bill
WHAT!?
Nah I'm just playin man sometimes I kid
Jus so my job doesnt get my dot in this
Crumble up tha bud put it in a spliff
Put it in tha air like I'm levitating shit
They say bob how you feel about tha fame
Really aint famous till obama know my name
Tha games in a drought it was going down tha drain
When I come around man its prolly gon' rain (so whats
you sayin)
Maybe I'm just sayin I can switch up tha flow
How you cant feel me when I'm rocking this show
Going over seas to a whole different coast
Come back get a sack full of that like woah
Yeah I can take you way back like woah
So listen 2 me rap sit back like woah
And everytime I rip they be like thats dope
Ya thats dope nitro like colt my flow lets go

Haha haha
What you be done
Yuh
Is that it
Hold on what r you doin
Lets do it
Need 2 get round 2 in

[Verse 2]

Oh oh oh
Well the biz the biz I'm in tha muzik biz
I really couldnt tell you what the main objective is
Cuz really that depends
On if you got a hit or just a good song that they never
ever spend
And then that depends on tha genre that your in
If your a rock artist or a hip hop man
Thats where I come in
They try to box me in
But I am not a square nor a parallelogram
Yes I got several fans through japan n maryland
They try to shoot me down but I never ever land
And no man could never ever walk in my pants
Or live what id lived or be what I am
Damn I dont give a damn all up in this booth tryna lay
this shit down
Yeuh so let me turn it down
We all around its a mixtape now
Stay tuned for more and dont turn tha dial bloaw
