You better wait your turn girl  
Girl you better wait x2

There ain't enough of me to go around  
Enough for me to go around x2

Yeah you know it's B.o.B  
B.o.B O B O B  
Yeah you know it's B.o.B x2

In the club feelin woozy  
I ran into some groupies  
They started to pursue me  
I said girl what are you doing  
See I'm with that girl  
They was like what is that your girl  
I was like ahh I'm not really sure  
But I'll hit you when I'm done with her

And you can hate on that  
She was like I can't wait on that  
Well shoot I'm straight on that  
Girl you can deal put skates on that  
And don't you say a word  
Nothing you can say a word  
That's just the way it works  
Girl you better wait your turn

You better wait your turn girl  
Girl you better wait x2

There ain't enough of me to go around  
Enough for me to go around x2

Yeah you know it's B.o.B  
B.o.B O B O B  
Yeah you know it's B.o.B x2

Well I was at the Ruby Tuesday  
Approached by some groupies  
They interrupted rudely

And they spa would you do meÂ  
I'm already with that girlÂ  
And they was like what they ain't your girlÂ  
I was like ahh well noÂ  
But if I get tired I'll let you knowÂ

And ain't no way you can hate on that  
And ain't no way to debate on thatÂ  
I'm right here  
The floor right there  
So go ahead girl put your face on thatÂ  
Cause I'm not interestedÂ  
I think the exit's in that directionÂ  
But don't get mad at meÂ  
Cause after home girl you the next oneÂ  
Cause I smoke hems to death  
And she's got hems I'd like to stretch  
She looked at me like that  
She already knows .....

You better wait your turn girl  
Girl you better wait x2

There ain't enough of me to go aroundÂ  
Enough for me to go around x2

Yeah you know it's B.o.B  
B.o.B O B O BÂ  
Yeah you know it's B.o.B x2
