I know what's on your mind, you've heard it all
before
You probly hear the same question everywhere you go
They want that ass, when you gon let me fuck? when
you gon let me fuck?
(When you gon let me fuck?)
When you gon let me fuck? when you gon let me fuck?
(When you gon let me fuck?)

There's so much on your mind, you've been here
before
Said you really can't trust em cuz they all just wanna
know
They want that ass, when you gon let me fuck? when
you gon let me fuck?
(When you gon let me fuck?)
When you gon let me fuck? when you gon let me fuck?
(When you gon let me fuck?)

You done been through this, you done been through
that
Gave away your love but it didn't come back
No it didn't come back, no it didn't come back
Always looking for another but they never really match
You trippin off of your past, but I'm trippin off of that
ass
Saying niggas all the same, all they wanna do is smash

Okay, you know
Running round we know
Fucking on the first night, no that don't make you a ho

I know what's on your mind, you've heard it all
before
You probly hear the same question everywhere you go
They want that ass, when you gon let me fuck? when
you gon let me fuck?
(When you gon let me fuck?)
When you gon let me fuck? when you gon let me fuck?
(When you gon let me fuck?)

There's so much on your mind, you've been here
before
Said you really can't trust em cuz they all just wanna
know
They want that ass, when you gon let me fuck? when
you gon let me fuck?
(When you gon let me fuck?)
When you gon let me fuck? when you gon let me fuck?
(When you gon let me fuck?)

She about that life and I'm gonna time it right uh
But tonight she like boy you ain't my type
Don't get me confused with them other dudes
Yea they talk a good game but don't live up to the
height
So when you gon let me ride that thing like a jet sky?
Swing that thing like a motorboat?
Beat you pussy up like a pepe

Okay, you know
Running round we know
And I know we just met but that don't make you a ho

I know what's on your mind, you've heard it all
before
You probly hear the same question everywhere you go
They want that ass, when you gon let me fuck? when
you gon let me fuck?
(When you gon let me fuck?)
When you gon let me fuck? when you gon let me fuck?
(When you gon let me fuck?)

There's so much on your mind, you've been here

Said you really can't trust em cuz they all just wanna
know
They want that ass, when you gon let me fuck? when
you gon let me fuck?
(When you gon let me fuck?)
When you gon let me fuck? when you gon let me fuck?
(When you gon let me fuck?)
