[Hook: B.o.B.]

If you think that I'm out cold  
If you think that I'll run  
If you think that it's over  
You couldn't be more wrong (couldn't be more wrong)  
If you think that it's done  
If you think that you won  
If you think that it's over  
You couldn't be more wrong

[Verse 1: B.o.B.]

I think it's funny that they think they got us all beat  
and defeated  
I swear they must be dreaming 'cuz they think that  
we're retreating  
Yeah, they be the type, constantly in search for beefing  
'Till they see it, then that ass become a vegan  
That's why on this beat it's no doubt  
Y'all already know I'm 'bout my flow, muthaf-  
ckas say I sold out?  
Must be talking about my shows  
Matter of fact, anytime that you finna reach for a  
dream or a goal or for anything  
You will have many enemies, look at Jesus and Martin  
and Lincoln and Kennedy

[Hook]

[Verse 2: B.o.B.]

Yeah, impostors hate the truth because you tell it  
So I know when they around, they so jealous, I can  
smell it  
The haters always die, the prestigious never perish  
So I'll be never buried  
That's why I'm never threatened by these little  
boys with big toys  
They can't aim, it's piss poor, what you holding  
the clip for?  
Put the gun down, get a clipboard  
So tell them haters that they better pipe down,  
We bring Hell like a red man with a black beard and a

pitchfork

[Hook]

[Verse 3: Spodee]

Uh, you totally incorrect if you thought that it was some  
pressure

With each endeavor I treasure raises my level of  
pleasure

I'm flabbergasted by fellas, really think that they  
can see me

I'm saving my special specimens specifically for  
T.V

Ohhh, what till they see me out with a case so  
straight make a fake hoe hate

Me and Bobby Ray like this, okay, man a plastic  
surgeon can't fix her face

All these rap niggas shit so gay, and I'm ma keep  
pimping until that bitch locate

My foot in the ass of a prick okay, say you harder than  
Grand Hustle, bitch, no way
