"You Don't Know"

Visit "[You Don't Know](#)" on MotoLyrics.com

When you look back at your life
You think you've seen it all
When you look into my eyes
You think the mask will fall

Do you think you're the ironman?
Do you think i'm a foe?

You don't know
You don't know

When you watch the world go down
Do you think you're secure?
When I'm sad, rest my head in pain
Do you think you know the cure?

The world deserves the answers
And not a saviour in its show

You don't know
You don't know

The world deserves the answers
And not a saviour in its show

You don't know
You don't know
