I, I need your love, baby  
Forever, ever more now

Let me tell you that I, I, I  
I really need your love, baby  
Don't ever walk, don't ever walk  
Walk out that door now  
Mmm, to another lover

Oh, I don't ever want you  
To go, girl, no, no  
Whoa, I'm gonna wait  
Yes, I'm gonna wait for you, baby  
Forever more

Let me tell you now  
If you, you, you  
If you ever leave me, baby  
You know I'll wait  
I'll have to wait  
For your return now

So never, never, never go

I, I, I, I need your arms  
To hold, yes, hold me  
Through the night now

Let me tell one thing  
Baby, if you go now  
Yeah, I'm gonna miss you  
Girl, I'm gonna miss  
Your loving, baby, yeah

Whoa, come back, come back  
Don't you ever  
Never, never leave me

Cause you know if you  
Ever leave me, baby  
I'm just gonna

Yeah, baby  
Don't ever walk out that door  
I'll tell you the sweetest  
Sweetest little things ever  
Oh, yeah

Never, never, never go  
Never, never, never leave
