(1st Mans voice)

I met you at a Pearl Jam concert. You stood up and began to dance.

When I saw your great big knockers I gave you a standing ovation in my pants

Who care about any better, there's something I, I like much better

A pretty lady in a skin tight sweater you know

A big bosom girl like you, with huge honkers like you, badasoomas like you

I love your kalamazoos. I bet that you can't see your shoes.

I met you at the tatoo parlor, you were teasing your great big hair

you had all your favorite singers tatooed to everywhere-air-air

Elvis Presley was on each hooter, Johny Cash was tatooed on your pooter

Was that Willy Nelson down by your kooter, who knows?

When a girl has big boobies like you, big jumpums like you

braw buddies like you

I wanna tweak your spark plugs, I love those things on my jugs

(2nd Mans Voice)

I met you down in New Orleans, swing at the Mardi Gras

I handed you a beaded neckalace, and you handed me your bra

I won't forget the times we spent, that tuesday it just came and went

There's one thing I'm not giving up for let, Oh no

A girl with kozonga's like you, torpedos like you, wenbegos like you

without those big snuggle pups mmm.

(Womans voice)  
Oh ya oh huh ya  
I met you at the Happy Clam boy, I've never seen a girl  
like you  
You had a haircut like John Eunitus and a gregute Stard  
tattoo on you  
I was whering a leather skirt, I bought you a drink and  
began to flirt  
I wondered what was under the flannel shirt

A girl with big nellas like you, love muffins like you  
Ya as I squeeze your sweet little rings, I thought I  
smelled sardine

(2nd man and woman's voice alternating)  
blessed mcgees like you  
big bobbins like you  
twin tom tom like you  
two christy lees like you  
huge carlinys like you  
Shaniquas like you  
Lets order taco's for two

A big bosom girl like you
