Ladies and Gentle man the man song!

(He's the man, He's the man)
(Crew Laughs)

I don't take no crap from anyone else but you,
I wear the pants around here when im finished with
your laundry,
Cause I'm a guy you don't wanna fight,
When I say jump you say, "Yeah Right!"
Im the man of this house until you get home

(He's the man, He's the man)

What I say goes around here right out the window,
And I don't want to hear alot of whining so I'll shut up,
The sooner you learn whos boss around here
The sooner you can give me my orders dear,
Cause I'm head huncha around here but its all in my
heeeeeaaaadddd!!

(He's the man, He's the man)
And I can have sex any time that you want,
Cause I'm a man who has needs but they're not that
important,
And don't expect any flowers from me cause if im not
mistaken you perfer jewlery,
I'm the king of my castle when your not around,

(He's the man, He's the man)

And I'll drink and watch sports whenever I want to get in
trouble,
And I'll come home when I'm good and ready, to sleep
on the couch,
Cause a MAN's gotta do what a MAN's gotta do,
and I'm gonna do what you tell me to,
Because I'm top dog around here but I've been
nutered!!

(He's the man, He's the man)

You da man!

(Clapping)
