"Blue Moon"

Blue moon, you saw me standing alone
Without a dream in my heart, without a love of my own.

Blue moon, you knew just what I was there for
You heard me saying a prayet for someone I really
could care for.

And suddenly there appeared before me the only one
my arms could ever hold

I heard someone whisper, "Please, adore me"
And when I looked my moon had turned to gold.

Blue moon, now I'm no longer alone
Without a dream in my heart, without a love of my own
Without a love of my own.
