Get you a copper kettle, get you a copper coil  
Fill it with new made corn mash  
And never more you'll toil

You'll just lay there by the juniper  
While the moon is bright  
Watch them jugs a filling in the pale moonlight

Build you a fire with hickory, hickory, ash and oak  
Don't use no green or rotten wood  
They'll get you by the smoke

We'll just lay there by the juniper  
While the moon is bright  
Watch them jugs a filling in the pale moonlight

My daddy, he made whiskey  
My granddaddy, he did too  
We ain't paid no whiskey tax since 1792

We'll just lay there by the juniper  
While the moon is bright  
Watch them jugs a filling in the pale moonlight  
In the pale moonlight
