Covenant Woman got a contract with the Lord
Way up yonder, great will be her reward
Covenant woman, shining like a morning star
I know I can trust you to stay anywhere you are.

Yes and I just got to tell you
I do intend
To stay closer than any friend
Yes and I just to thank you
Once again
For making your prayers known
Unto heaven for me
And to you, always, so grateful
I will forever be.

I've been broken, shattered like an empty cup
I'm just waiting on the Lord to rebuild and fill me up
And I know He will do it 'cause He's faithful and He's
true
He must have loved me so much to send me someone
as fine as you.

Yes and I just got to tell you

I do intend
To stay closer than any friend
Yes and I just to thank you
Once again
For making your prayers known
Unto heaven for me
And to you, always, so grateful
I will forever be.

Covenant woman, intimate little girl
Who knows those most secret things of me that are
hidden from the world
You know that we are strangers in a land we're passing
through
I'll always be right by your side, I've got a covenant too.

Yea and I just got to tell you
I do intend

To stay closer than any friend
Yea and I just to thank you
Once again
For making your prayers known
Unto heaven for me
And to you, always, so grateful
I will forever be.
