Oh, the gentlemen are talking and the midnight moon
is on the riverside
They're drinking up and walking and it is time for me to
slide
I live in another world where life and death are
memorized
Where the earth is strung with lover's pearls and all I
see are dark eyes.

A cock is crowing far away and another soldier's deep
in prayer
Some mother's child has gone astray, she can't find
him anywhere
But I can hear another drum beating for the dead that
rise
Whom nature's beast fears as they come and all I see
are dark eyes.

They tell me to be discreet for all intended purposes

They tell me revenge is sweet and from where they
stand, I'm sure it is
But I feel nothing for their game, where beauty goes
unrecognized
All I feel is heat and flame, and all I see are dark eyes.

Oh, the French girl, she's in paradise and a drunken
man is at the wheel
Hunger pays a heavy prize to the falling gods of speed
and steel
Oh, time is short and the days are sweet and passion
rules the arrow that flies
A million faces at my feet but all I see are dark eyes.
