The light
In this place
Is really bad
Like being
In the bottom
Of a stream
Any minute now
I'm expecting
To wake up
From a dream
Miss so much
The softest touch
Like the grave
Of some child child
Who neither wept
Nor smiled
I'm hiding my faith
In the rain
I've been
Dreamin' of you
That's all I do
And it's
Driving me insane

Somewhere dawn
Is breaking
Light is streaking
Across the floor
Church bells
Are ringing
I wonder who
They're ringing for
Travel under any star
You'll see me
Wherever you are

The shadowy past
Is so vague and so vast
I'm sleeping
In the balance of pain
I've been dreamin' of you
That's all I do

But it's
Driving me insane

Maybe they'll get me
Maybe they won't
But whatever
It won't be tonight
I wish your hand
Was in mine right now
We could go
Where the moon is wide

For years
They had me
Locked in a cage
Then they threw me
Onto the stage
Somethings
Just last longer
Then you
Thought they would
And they never
Ever explain
I'm dreamin' of you
That's all I do
And it's
Driving me insane

Well
I eat when I'm hungry
Drink when I'm dry
Live my life
On the square
Even if the flesh
Falls off my face
It won't matter as long
As you're there

Feel like
A ghost in love
Underneath
The heavens above
Feel further away
Then I ever did before
Feel further
Than I can take
Dreamin' of you
That's all I do
But it's
Driving me insane

Everything in the way
Is so shy like the day
In queer and unusual form
Spirals of golden haze here
In there in a blaze
Like beams of light
In a star

Maybe you're here
Or maybe you weren't
Maybe you
Touched somebody
And got burned
The silent sun
Has got me on the run
Burning a hole
In my brain
I'm dreamin' of you
That's all I do
But it's
Driving me insane
