I didn't know that you'd be leaving
Or who you thought you were talking to
I figure maybe we're even
Or maybe I'm one up on you
I send you all my money
Just like I did before
I tried to reach you honey
But you're driftin' too far from shore
Driftin' too far from shore
Driftin' too far from shore.

I ain't gotta get lost in this current
I don't like playing cat and mouse
No gentleman likes making love to a servant
Especially when he's in his fathers house
I never could guess your weight baby
Never needed to call you my whore
I always thought you were straight baby
But you're driftin' too far from shore
Driftin' too far from shore
Driftin' too far from shore.

Well, these times and these tunnels are haunted

The bottom of the barrel is too
I waited years sometimes for what I wanted
Everybody can't be as lucky as you
Never no more do I wonder
Why you don't never play with me any more
At any moment you could go under
Cause you're driftin' too far from shore
Driftin' too far from shore
Driftin' too far from shore.

You and me we had completeness
I give you all of what I could provide
We weren't on the wrong side sweetness
We were the wrong side
I've already ripped out the phones honey
You can't walk the streets in a war
I can't finish this alone honey
You're driftin' too far from shore

You're driftin' too far from shore.
