Like the lion tears the flesh off of a man
So can a woman who passes herself off as a male
They sang, 'Danny Boy' at his funeral and the Lord's
Prayer
The preacher talking 'bout Christ betrayed

It's like the earth just opened and swallowed him up
He reached too high, was thrown back to the ground
You know what they say about
Bein' nice to the right people on the way up
Sooner or later you gonna meet them comin' down

Well, there ain't no goin' back when your foot of pride
come down
Ain't no goin' back

Hear ya got a brother named James, don't forget faces
or names
Sunken cheeks and his blood is mixed
He looked straight into the sun and said revenge is
mine
But he drinks, and drinks can be fixed

Sing me one more song, about ya love me to the moon
and the stranger
And your fall by the sword love affair with Erroll Flynn
in these times of compassion when conformity's in
fashion
Say one more stupid thing to me before the final nail is
driven in

Well, there ain't no goin' back when your foot of pride
come down
Ain't no goin' back

There's a retired businessman named Red
Cast down from heaven and he's out of his head
He feeds off of everyone that he can touch
He said he only deals in cash or sells tickets to a plane
crash
He's not somebody that you play around with much

Miss Delilah is his, a Philistine is what she is
She'll do wondrous works with your fate
Feed you coconut bread, spice buns in your bed
If you don't mind sleepin' with your head face down in
a grave

Well, there ain't no goin' back when your foot of pride
come down
Ain't no goin' back

Well they'll choose a man for you to meet tonight
You'll play the fool and learn how to walk through doors
How to enter into the gates of paradise?
No, how to carry a burden too heavy to be yours?

Yeah, from the stage they'll be tryin' to get water outta
rocks
A whore will pass the hat, collect a hundred grand and
say thanks
They like to take all this money from sin
Build big universities to study in
Sing, 'Amazing Grace' all the way to the Swiss banks

Well, there ain't no goin' back when your foot of pride
come down
Ain't no goin' back

They got some beautiful people out there, man
They can be a terror to your mind and show you how to
hold your tongue
They got mystery written all over their forehead
They kill babies in the crib and say only the good die
young

They don't believe in mercy
Judgment on them is something that you'll never see
They can exalt you up or bring you down main route
Turn you into anything that they want you to be

Well, there ain't no goin' back when your foot of pride
come down
Ain't no goin' back

Yes, I guess I loved him too
I can still see him in my mind climbin' that hill
Did he make it to the top, well he probably did and
dropped
Struck down by the strength of the will

Ain't nothin' left here partner
Just the dust of a plague that has left this whole town

afraid

From now on, this'll be where you're from
Let the dead bury the dead, your time will come
Let hot iron blow as he raised the shade

Ain't no goin' back when your foot of pride come down
Ain't no goin' back, oh yeah, oh yeah
