God knows you ain't pretty  
God knows it's true  
God knows there ain't anybody  
Ever gonna take the place of you

God knows it's a struggle  
God knows it's a crime  
God knows there's gonna be no more water  
But fire next time

God don't call it treason  
God don't call it wrong  
It was supposed to last a season  
But it's been so strong for so long

God knows it's fragile  
God knows everything  
God knows it could snap apart right now  
Just like putting scissors to a string

God knows it's terrifying  
God sees it all unfold  
There's a million reasons for you to be crying  
You been so bold and so cold

God knows that when you see it  
God knows you've got to weep  
God knows the secrets of your heart  
He'll tell them to you when you're asleep

God knows there's a river  
God knows how to make it flow  
God knows you ain't gonna be taking  
Nothing with you when you go

God knows there's a purpose  
God knows there's a chance  
God knows you can rise above the darkest hour  
Of any circumstance

God knows there's a heaven  
God knows it's out of sight

God knows we can get all the way from here to there  
Even if we've got to walk a million miles by candlelight
