Have yourself a merry little Christmas
Let your heart be light
From now on our troubles
Will be out of sight

Have yourself a merry little Christmas
Make the Yuletide gay
From now on our troubles
Will be miles away

Here we are as in olden days
Happy golden day of yore
Faithful friends who are dear to us
Gather near to us once more

Through the years we all will be together
If the fates allow
Hang a shinning star
Upon the highest bough

And have yourself a merry little Christmas now

From now on our troubles
Will be miles away

Through the years we all will be together
If the fates allow
Hang a shinning star
Upon the highest bough

And have yourself a merry little Christmas now
Yes, have yourself a merry little Christmas now
