by Bob Dylan and Willie Nelson

There's a home place under fire tonight in the  
Heartland  
And the bankers are takin' my home and my land from  
me  
There's a big achin' hole in my chest now where my  
heart was  
And a hole in the sky where God used to be

There's a home place under fire tonight in the  
Heartland  
There's a well with water so bitter nobody can drink  
Ain't no way to get high and my mouth is so dry that I  
can't speak  
Don't they know that I'm dyin', Why nobody cryin' for  
me?

My American dream  
Fell apart at the seams.  
You tell me what it means,  
You tell me what it means.

My American dream  
Fell apart at the seams.  
You tell me what it means,  
You tell me what it means
