Oh, I can't get you off of my mind
When I try, I'm just wastin' my time
Lord, I've tried and I've tried, all night long I've cried
But I can't get you off of my mind

And you think you would leave me behind
But I guess you're the two-timin' kind
Do you think that it's smart to jump from heart to heart
When I can't get you off of my mind?

Oh, I can't get you off of my mind
When I try, I'm just wastin' my time
Lord, I've tried and I've tried, all night long I've cried
But I can't get you off of my mind

You believe that a true love is blind
So you fool every new love you find
You've got stars in your eyes but they can't hide the lies
Oh, I can't get you off of my mind

But I can't get you off of my mind
When I try, I'm just wastin' my time
Lord, I've tried and I've tried, all night long I've cried
But I can't get you off of my mind
