She let go of my hand

An' left me here facing the wall

I'd sure like to know

Why she did go

But I can't get close to her at all

Though we kissed through the wild blazing nighttime

She said she would never forget

But now mornin's clear

It's like ain't here

She acts like we never have met.

It's all new to me

Like some mystery

It could even be like a myth

But it's hard to think on

That she's the same one

That last night I was with

From darkness, dreams're deserted

Am I still dreamin' yet ?

I wish she'd unlock

Her voice once and talk

'Stead of acting like we never have met.

If she ain't feelin' well
Then why don't she tell
'Stead of turnin' her back to my face
Without any doubt
She seems too far out
For me to return to her chase
Though her skirt it swayed as a guitar played
Her mouth was watery and wet
But now something has changed
For she ain't the same
She just acts like we never have met.
If I didn't have to guess
I'd gladly confess
To anything I might've tried
If I was with her too long
Or have done something wrong
I wish she'd tell me what it is, I'll run and hide
Though the night ran swirling and whirling
I remember her whispering yet
But evidently she don't
And evidently she won't
She did act like we never have met.
I'll leavin' today
I'll be on my way
Of this I can't say very much

But if you want me to

I can be just like you

And pretend that we never have touched

And if anybody asks me, "Is it easy to forget?"

I'll say, "It's easily done

You just pick anyone

And pretend that you never have met".
