Thing's all right and she's all too tight
In my neighborhood she cries both day and night
I know it because I was there
It's a milestone but she's down on her luck
And she's daily salooning about to make her hard
earned buck
I was there

I believe where she'd stop him if she wants time to care
I believe that she'd look upon beside him to care
And I'd go by the Lord and when she's on my way
But I don't belong there

No, I don't belong to her, I don't belong to anybody
She's my Christ forsaken angel but she don't hear me
cry
She's a lone hearted mystic and she can't carry on
When I'm there she's alright but then she's not when
I'm gone

Heaven knows that the answer, she's don't calling no
one
She's the way, her sailing beauty for she's mine for the
one
And I lost her hesitating by temptation lest it runs
But she don't holler me but I'm not there, I'm gone

Now I'll cry tonight like I cried the night before
And I'm released on the heights in but I'll dream about
the door
It's alone, she's forsaken by her fate, worse to tell
"It don't have approximation", she smiled, "Fare thee
well"

Now when I'll teach that lady I was born to love her
But she knows that the kingdom waits so high above
her
And I run but I race but it's not too fast or slow
But I don't perceive her, I'm not there, I'm gone

Well, it's all about confusion and I cry for her
Well, I don't need anybody now beside me to tell

And it's all affirmation I receive but it's not
She's adorned by the beauty but she don't like the spot
and she won't

Yes, she's gone like the rainbow that shined yesterday
But now she's home beside me and I'd like her here to
stay
She's a lone forsaken beauty and it's don't trust anyone
I wish I was beside her but I'm not there, I'm gone

Well, it's too hard to stay here and I don't want to leave
It's so bad but amusing when she's hard, too hard to
leave
It's a load, it's a crime the way she haunt me around
But she told, ?Won't you hate me?? but
[Incomprehensible]

Yes, I believe that it's rightful, oh, I believe it in my
mind
I been told like I said when I before carry on the grind
And she's on yet she told her like I said, ?Carry on?
I wish I was there to help her but I'm not there, I'm gone
