Since you've been gone  
I've been walkin' around  
With my head bowed down to my shoes  
I've been livin' the blues  
Every night without you

I don't have to go far  
To know where you are  
Strangers all give me the news  
I've been livin' the blues  
(Livin' the blues)  
Every night without you

I think that it's best  
I soon get some rest  
And forget my pride  
But I can't deny this feeling that I  
Carry for you deep down inside

If you see me this way  
You'd come back and you'd stay  
Oh, how could you refuse  
I've been livin' the blues  
(Livin' the blues)  
Every night without you

I think that it's best  
I soon get some rest  
And forget my pride  
But I can't deny this feeling that I  
Carry for you deep down inside

If you see me this way  
You'd come back and you'd stay  
Oh, how could you refuse  
I've been livin' the blues  
(Livin' the blues)  
Every night without you

I've been livin' the blues  
(Livin' the blues)  
Every night without you

I've been livin' the blues  
(Livin' the blues)  
Every night without you
