Well everybody's building that boats  
Some are building monuments, others jotting down  
notes  
Well everybody's in despair, every girl and boy  
But when Quinn the Eskimo gets here everybody's  
gonna jump for joy

Oh come all without, come all within  
You'll not see nothing like the mighty Quinn  
Come all without, come all within  
You'll not see nothing like the mighty Quinn

Oh you know I like to do just like the rest you know I like  
my sugar sweet  
But jumping fumes and making haste you know it ain't  
my a cup of meat  
Well everybody's out there feeding a pigeons all under  
the limb  
But when Quinn the Eskimo gets here the pigeons  
gonna run to him

Oh come all without, come all within  
You'll not see nothing like the mighty Quinn  
Come all without, come all within  
You'll not see nothing like the mighty Quinn.

A cat's meow and a cow's moo to you know I, I could  
recite them all  
Tell me where it hurts you, honey and I'll tell you who to  
call  
Nobody can get asleep, there's someone on  
everybody's toes  
Quinn the Eskimo gets here everybody's gonna want to  
doze

Oh come all without yeah, come all within  
You'll not see nothing like the mighty Quinn  
Oh come all without, come all within  
You'll not see nothing like the mighty Quinn
