I'm growing tired of these big city lights  
Tired of the glamor and tired of the sights  
In all my dreams I am roaming once more  
Back to my home on the old river shore

I am sad and weary far away from home  
Miss the Mississippi and you dear  
Nights are dark and dreary everywhere I roam  
Miss the Mississippi and you

Roaming this wide world over  
Always alone and blue, blue  
Nothing seems to cheer me under heaven's dome  
Miss the Mississippi and you

Memories are bringing happy days of yore  
Missing Mississippi and you  
Mocking birds are singing around the cabin door  
Missing Mississippi and you

Roaming this wide world over  
Always alone and blue, so blue  
Longing for my homeland, muddy water shore  
Miss the Mississippi and you
