Shadows are fallin'  
And I've been here all day  
It's too hot to sleep  
And time is runnin' away

Feel like my soul has  
Turned into steel  
I've still got the scars  
That the sun didn't heal

There's not even room  
Enough to be anywhere  
It's not dark yet  
But it's gettin' there

Well my sense of humanity  
Is goin' down the drain  
Behind every beautiful thing  
There's been some kind of pain

She wrote me a letter  
And she wrote it so kind  
She put down in writin'  
What was in her mind

I just don't see  
Why I should even care  
It's not dark yet  
But it's gettin' there

And I've been to London  
And I've been to gay Paris  
I've followed the river  
And I've got to the sea

I've been down on the bottom  
Of a whirlpool of lies  
I ain't lookin' for nothin'  
In anyone's eyes

Sometimes my burden  
Is more than I can bear

It's not dark yet  
But it's gettin' there

I was born here and I'll die here  
Against my will  
I know it looks like I'm movin'  
But I'm standin' still

Every nerve in my body  
Is so naked and numb  
I can't even remember what it was  
I came here to get away from

Don't even hear  
The murmur of a prayer  
It's not dark yet  
But it's gettin' there
