Well, they'll stone you when you're tryin' to be so good  
They'll stone you just like they said they would  
They'll stone you when you're tryin' to go home  
They'll stone you when you're there all alone  
But I would not feel so all alone  
Everybody must get stoned

Well, they'll stone you when you're walkin' on the street  
They'll stone you when you're tryin' to keep your seat  
They'll stone you when you're walkin' on the floor  
They'll stone you when you're walkin' to the door  
But I would not feel so all alone  
Everybody must get stoned

They'll stone you when you're at the breakfast table  
They'll stone you when you are young and able  
They'll stone you when you're tryin' to make a buck  
They'll stone you and then they'll say, good luck  
Yeah but I would not feel so all alone  
Everybody must get stoned

Well, they'll stone you and say that it's the end  
Then they'll stone you and then they'll come back again  
They'll stone you when you're riding in your car  
They'll stone you when you're playing your guitar  
Yes but I would not feel so all alone  
Everybody must get stoned, alright

Well, they'll stone you when you are all alone  
They'll stone you when you are walkin' home  
They'll stone you and then say, they're all brave  
They'll stone you when you're send down in your grave  
But I would not feel so all alone  
Everybody must get stoned
