by Bob Dylan and Michael Bolton

In the night I hear you speak
Turn around, you're in my sleep
Feel your hands inside your soul
You're holding on and won't let go

I've tried running but there's no escape
Can't bend them, and (I know) I just can't break these...

Steel bars, wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time
Steel bars wrapped around this heart of mine

Trying hard to recognize
See the face behind the eyes
Feel your haunting ways like chains
'Round my heart they still remain

I'm still running, but there's nowhere to hide
My love for you has got me locked up inside these...

Steel bars, wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time
Steel bars wrapped around this heart of mine

And with every step I take
Every desperate move I make
It's clear to me
What can all my living mean
When time itself is so obscene
When time itself don't mean a thing
I'm still loving you

Steel bars, wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time
Steel bars wrapped around this heart of mine
