'when I was applying a housing authority
showed up and left some brown tan concrete with a few
holes in it --
I got to shakin cause it looked like a credit card and I
could only have \$2000.00 my account and that's a debit
any way a street dookey bigay --gave me some
brichitas
and i got to bacon st fried and ready to section off
that block party when the authorities showed me up and
I lost the spelling bee oh well cant' be reminded of that!
not even a spell check shows up ---it's like howard
dynamics rand dome selection i got augury art practice
instead of music practice---what note is f heptachord
titus'
