I'm a worried man, got a worried mind  
No one in front of me, no one behind  
There's a woman on my lap and she's drinking  
champagne

Got white skin, got assassins eyes  
I'm looking up into the sapphire tinted skies  
I'm well dressed, waiting on the last train

Standin' on the gallows with my head in a noose  
Any minute now I'm expectin' all hell to break loose

People are crazy and times are strange  
I'm locked in tight, I'm outta range  
I used to care, but things have changed

This place ain't doing me any good  
I'm in the wrong town, I should be in Hollywood  
Just for a second there I thought I saw something move

Gonna take dancing lessons, do the jitterbug rag  
Ain't no shortcuts, gonna dress in drag  
Only a fool in here would think he's got anything to  
prove

Lot of water under the bridge, lot of other stuff too  
Don't get up gentlemen, I'm only passing through

People are crazy and times are strange  
I'm locked in tight, I'm out of range  
I used to care, but things have changed

I've been walking forty miles of bad road  
If the Bible is right, the world will explode  
I've been trying to get as far away from myself as I can

Some things are too hot to touch  
The human mind can only stand so much  
You can't win with a losin' hand

Feel like fallin' in love with the first woman I meet  
Puttin' her in a wheel barrow and wheelin' her down the

street

People are crazy and times are strange  
I'm locked in tight, I'm out of range  
I used to care, but things have changed

I hurt easy, I just don't show it  
You can hurt someone and not even know it  
The next sixty seconds could be like an eternity

Gonna get low down, gonna fly high  
All the truth in the world adds up to one big lie  
I'm in love with a woman that don't even appeal to me

Mr. Jinx and Miss Lucy, they jumped in the lake  
I'm not that eager, not that eager to make a mistake

People are crazy, times are strange  
I'm locked in tight, I'm outta range  
I used to care, but things have changed
