by shy in da sky

as i went walking  
at ribbon highway  
I saw above me  
the endless skyway  
I saw below me  
the golden valley  
This land was made for you and me

This land is your land  
This land is my land  
From California  
To the New York island  
From the Redwood Forest  
To the Gulf Stream waters  
This land was made for you and me

I've roamed and rambled  
and followed my footsteps  
Through the sunnybright sands of  
her diamond deserts  
And all around me  
a voice came singing  
singing This land was made for you and me

This land is your land  
This land is my land  
From California  
To the New York island  
From the Redwood Forest  
To the Gulf Stream waters  
This land was made for you and me

it was early one morning  
and I was strolling  
with the wheat fields waving  
and dust clouds rolling  
As the fog was lifting  
a voice comes chanting

This land is your land

This land is my land  
From California  
To the New York island  
From the Redwood Forest  
To the Gulf Stream waters  
This land was made for you and me

nobody living  
can ever stop me  
as i go walking  
my freedom highway  
nobody living  
can make me turn back  
this land was made for you and me

This land is your land  
This land is my land  
From California  
To the New York island  
From the Redwood Forest  
To the Gulf Stream waters  
This land was made for you and me
