When the rain is blowing in your face
And the whole world is on your case
i could offer you a warm embrace
To make you feel my love

When evening shadows and the stars appear
And there is no one to dry your tears
i could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
And i would never do you wrong
I've known it from the moment we met
There's no doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothing that I wouldn't do
To make you feel my love

The storms are raging on a rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet.

There is nothing that I wouldn't do
Go to the ends of the earth for you
Make you happy make your dreams come true
To make you feel my love
