Tomorrow night, will you remember what you said to
night ?

Tomorrow night, will all the thrill be gone ?

Tomorrow night, will it be just another memory

Or just another song, that's in my heart to linger on ?

Your lips are so tender, your heart is beating fast

And you willingly surrender to me, my darling will it last

?

Tomorrow night, will you be with me when the moon is
bright ?

Tomorrow night, will you say those lovely things you
said tonight ?

Your lips are so tender, your heart is beating fast

And you willingly surrender to me, my darling will it last

?

Tomorrow night, will you be with me when the moon is
bright ?

Tomorrow night, will you say those lovely things you
said tonight ?
