Trouble in the city, trouble in the farm  
You got your rabbit's foot, you got your good-luck  
charm  
But they can't help you, none when there's trouble

Trouble, trouble  
Trouble, trouble  
Nothin' but trouble

Trouble in the water, trouble in the air  
Go all the way to the other side of the world  
You'll find trouble there  
Revolution even ain't no solution for trouble

Trouble, trouble  
Trouble, trouble  
Nothin' but trouble

Drought and starvation, packaging of the soul  
Persecution, execution, governments out of control  
You can see the writing on the wall, inviting trouble

Trouble, trouble  
Trouble, trouble  
Nothin' but trouble

Put your ear to the train tracks, put your ear to the  
ground  
You ever feel like you're never alone even when  
There's nobody else around?  
Since the beginning of the universe man's been cursed  
by trouble

Trouble, trouble  
Trouble, trouble  
Nothin' but trouble

Nightclubs of the broken-hearted, stadiums of the  
damned  
Legislature, perverted nature, doors that are rudely  
slammed  
Look into infinity, all you see is trouble

Trouble, trouble  
Trouble, trouble  
Nothin' but trouble
