There was a little boy  
And there was a little girl  
And they lived in an alley under the red sky.

There was a little boy  
And there was a little girl  
And they lived in an alley under the red sky.

There was an old man  
And he lived in the moon  
One summer's day he came passing by.

There was an old man  
And he lived in the moon  
And one day he came passing by.

Some day little girl  
Everything for you is gonna be new  
Some day little girl  
You'll have a diamond as big as your shoe.

Let the wind blow low

Let the wind blow high  
One day the little boy and the little girl were both baked  
in a pie.

Let the wind blow low  
Let the wind blow high  
One day the little boy and the little girl were both baked  
in a pie.

This is the key to the kingdom  
And this is the town  
This is the blind horse  
That leads you around.

Let the bird sing  
Let the bird fly  
One day the man in the moon went home and the river  
went dry.

Let the bird sing  
Let the bird fly  
The man in the moon went home and the river went  
dry.
