I never dreamed it could be, a someone made just for  
me

When I'm letting her have her way  
I'm here to see what she has to say  
Aw, the poor girl always wins the day

I'm stayin' ahead of the game and she's a-doin' the  
same

And the whiskey flyin' into my head  
The fiddler's arm has gone dead  
And talk is beginning to spread

When did our love go bad?  
Whatever happened to the best friend that I had?  
It's been so long since I held you tight  
Been so long since we said goodnight

The taste of tears is bittersweet  
When you're near me, my heart forgets to beat  
You're there every night, among the good and the true  
And I'll be around, waitin' for you

Well, the king of them all is starting to fall  
I lost my gal at the boatman's ball  
The night has a thousand hearts and eyes  
Hope may vanish, but it never dies

I'll see you tomorrow when freedom rings  
I'm gonna stay on top of things  
It's the middle of summer and the moon is blue  
And I'll be around, waitin' for you

Another deal gone down, another man done gone  
You put up with it all and you carry on  
Something holding you back but you'll come through  
I'd bet the world and everything in it on you

Happiness is but a state of mind  
Anytime you want, you can cross the state line  
You don't need to be rich or well to do  
I'll be around, waitin' for you
