I love you more than ever, more than time and more than love
I love you more than money and more than the stars above
I love you more than madness, more than waves upon the sea
I love you more than life itself, you mean that much to me.

Ever since you walked right in the circle's been complete
I've said goodbye to haunted rooms and faces in the street
In the courtyard of the jester which is hidden from the sun
I love you more than ever and I haven't yet begun.

You breathed on me and made my life a richer one to live
When I was deep in poverty you taught me how to give
Dried the tears up from my dreams and pulled me from the hole
I love you more than ever and it binds me to this all.

You gave me babies, one, two, three, what is more, you saved my life
Eye for eye and tooth for tooth, your love cuts like a knife
My thoughts of you don't ever rest, they'd kill me if I lie
But I'd sacrifice the world for you and watch my senses die.

The tune that is yours and mine to play upon this earth
We'll play it out the best we know, whatever it is worth
What's lost is lost, we can't regain what went down in the flood
But happiness to me is you and I love you more than blood.

It's never been my duty to remake the world at large
Nor is it my intention to sound a battle charge
'Cause I love you more than all of that with a love that doesn't bend

And if there is eternity I'd love you there again.

Oh, can't you see that you were born to stand by my
side

And I was born to be with you, you were born to be my
bride

You're the other half of what I am, you're the missing
piece

And I love you more than ever with that love that
doesn't cease.

You turn the tide on me each day and teach my eyes to
see

Just being next to you is a natural thing for me

And I could never let you go, no matter what goes on

'Cause I love you more than ever now that the past is
gone.
