What was it you wanted  
Tell me again so I'll know  
What's happening in there  
What's going on in your show  
What was it you wanted  
Could you say it again  
I'll be back in a minute  
You can get it together by then.

What was it you wanted  
You can tell me I'm back  
We can start it all over  
Get it back on the track  
You got my attention  
Go ahead speak  
What was it you wanted.  
When you were kissing my cheek.

Was there somebody looking  
When you give me that kiss  
Someone there in the shadows  
Someone that I might have missed  
Is there something you needed  
Something I don't understand  
What was it you wanted  
Do I have it here in my hand.

Whatever you wanted  
Slipped out of my mind  
Would you remind me again  
If you'd be so kind

Has the record been breaking  
Did the needle just skip  
Is there somebody waitin'  
Was there a slip of the lip.

What was it you wanted  
It ain't keepin' score  
Are you the same person  
That was here before  
Is it something important

Maybe not  
What was it you wanted.  
Tell me again I forgot.

Whatever you wanted  
What can it be  
Did somebody tell you  
That you could get it from me  
Is it something that comes natural  
Is it easy to say  
Why do you want it  
Who are you anyway.

Is the scenery changing  
Am I getting it wrong  
Is the whole thing going backwards  
Are they playing our song  
Where were you when it started  
Do you want it for free  
What was it you wanted  
Are you talking to me.
