Ollie told me I'm a fool. So I
Walked on down the road a mile, Went to the house
that brings a smile
Sat upon my grandpa's knee, And what do you think he
said to me?

When You Awake you will remember ev'rything, You will
be
Hangin' on a string from your When you believe, You
will relieve the only
Soul
That you were born with to grow old and never know
Ollie showed me the fork in the road

You can take to the left or go straight to the right
Use your days and save your nights
Be careful where you step, and watch wha-cha eat
Sleep with the light on and you got it beat

When You Awake you will remember ev'rything, You will
be
Hangin' on a string from your When you believe, You
will relieve the only
Soul
That you were born with to grow old and never know
Ollie showed me the fork in the road

Ollie warned me it's a mean old world
The street don't greet ya, yes, it's true
But what am I supposed to do
Read the writing on the wall
I heard it when I was very small

When You Awake you will remember ev'rything, You will
be
Hangin' on a string from your When you believe, You
will relieve the only
Soul
That you were born with to grow old and never know
Ollie showed me the fork in the road

Wash my hand in lye water, I got a date with the

Captains daughter. You can go and tell your brother.
We sure gonna
Love one another, Oh! You
May be right and ya might be wrong, I ain't gonna
worry all day long
Snow's gonna come and the frost gonna bite, My old
car froze
Up last night. Ain't no reason to hang your head I could
wake up in the
Mornin' dead. Oh! And
If I thought it would do any good, I'd stand on the rock
where Moses stood
