God don't make promises that He don't keep
You got some big dreams baby, but in order to dream
you gotta still be asleep.

When you gonna wake up, when you gonna wake up
When you gonna wake up strengthen the things that
remain ?

Counterfeited philosophies have polluted all of your
thoughts
Karl Marx has got ya by the throat, Henry Kissinger's
got you tied up in knots.

When you gonna wake up, when you gonna wake up
When you gonna wake up strengthen the things that
remain ?

You got innocent men in jail, your insane asylums are
filled
You got unrighteous doctors dealing drugs that'll never
cure your ills.

When you gonna wake up, when you gonna wake up
When you gonna wake up strengthen the things that
remain ?

You got men who can't hold their peace and woman
who can't control their tongues
The rich seduce the poor and the old are seduced by
the young.

When you gonna wake up, when you gonna wake up
When you gonna wake up strengthen the things that
remain ?

Adulterers in churches and pornography in the schools
You got gangsters in power and lawbreakers making
rules.
When you gonna wake up, when you gonna wake up
When you gonna wake up strengthen the things that
remain ?

Spiritual advisors and gurus to guide your every move
Instant inner peace and every step you take has got to
be approved.

When you gonna wake up, when you gonna wake up
When you gonna wake up strengthen the things that
remain ?

Do you ever wonder just what God requires ?
You think He's just an errand boy to satisfy your
wandering desires.

When you gonna wake up, when you gonna wake up
When you gonna wake up and strengthen the things
that remain ?

You can't take it with you and you know that it's too
worthless to be sold
They tell you, 'Time is money' as if your life was worth
its weight in gold.

When you gonna wake up, when you gonna wake up
When you gonna wake up and strengthen the things
that remain ?

There's a man up on a cross and He's been crucified
for you
Believe in His power that's about all you got to do.

When you gonna wake up, when you gonna wake up
When you gonna wake up and strengthen the things
that remain ?
