You harbor resentment
You know there ain't too much of a thrill
You wish for contentment
But you got an emptiness that can't be filled

You've had enough hatred
Your bones are breaking
Can't find nothing sacred

Ye shall be changed, ye shall be changed
In a twinkling of an eye when the last trumpet blows
The dead will arise and burst out of your cloths
And ye shall be changed

Everything you've gotten
You've gotten by sweat, blood and muscle
From early in the morning 'til way past dark
All you ever do is hustle

All your loved ones have walked out the door
You're not even sure
'Bout your wife and kids no more

But ye shall be changed, ye shall be changed
In a twinkling of an eye when the last trumpet blows
The dead will arise and burst out of your cloths
And ye shall be changed

The past don't control you
But the futures like a roulette wheel spinning
Deep down inside
You know, you need a whole new beginning

Don't have to go to Russia or Iran
Just surrender to God
And, hell move you right here where you stand

And ye shall be changed, ye shall be changed
In a twinkling of an eye when the last trumpet blows
The dead will arise and burst out of your cloths
And ye shall be changed

You drink bitter water
And you been eating the bread of sorrow
You can't live for today
When all you're ever thinking of is tomorrow

The path you've endured has been rough
When you've decided
That you've had enough

Ye shall be changed, ye shall be changed
In a twinkling of an eye when the last trumpet blows
The dead will arise and burst out of your cloths
And ye shall be changed
