Well, it ain't no use to sit and wonder why, babe  
If I'm in you don't know by now  
And it ain't no use to sit and wonder why, babe  
It don't matter any how

When your rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm trav'lin' alone  
Now, don't think twice, it's all right

Well, it ain't no use in turnin' on your light, babe  
That light I never knowed  
But it ain't no use in turnin' on your light, babe  
I'm on the dark side of the road

Still I wish there was somethin' you would do or say  
To try an' make me change my mind and stay  
But we never did too much talkin' anyway  
So don't think twice, it's all right

Well, it ain't no use in callin' out my name, babe  
Like you never did before  
And it ain't no use in callin' out my name, babe  
I can't hear you any more

I'm a thinkin' and a wond'rin', walkin' down the  
road  
I once loved a woman, a child I'm told  
I give her my heart but she wanted my soul  
But don't think twice, it's all right

So I'm walkin' down that long lonesome road, babe  
Where I'm bound, I can't tell  
But goodbye's too good a word, babe  
So I'll just say fare thee well

I ain't sayin' you treated me unkind  
You could have done better but I don't mind  
You just kinda wasted my precious time  
But don't think twice, it's all right
