Lay, lady, lay, lay across my big brass bed  
Lay, lady, lay, lay across my big brass bed

Whatever colors you have in your mind  
I'll show them to you and you'll see them shine

Lay, lady, lay, lay across my big brass bed  
Stay, lady, stay, stay with your man awhile

Ride up until the break of day  
Let me see you make him smile

His clothes are dirty but his hands are clean  
And you're the best thing that he's ever seen

Stay, lady, stay, stay with your man awhile

Why wait any longer for the world to begin  
You can have your cake and eat it too

Why wait any longer for the one you love  
When he's standing in front of you

Lay, lady, lay, lay across my big brass bed  
Stay, lady, stay, stay while the night is still ahead

I long to see you in the morning light  
I long to reach out for you in the dead of the night

Stay, lady, stay, stay while the night is still ahead
