Here's to you and all our friends,
That God protect us until the very end!
All the places that we go,
Everybody that we know
And every single living thing
I'm in love with you tonight!
I'm in love!
You know it feels all right!

So, let it rain!
Let it rain!
So, let it rain!
Let it rain!

So here's to you and all the friends,
That God protect us until the very end!
I'm in love with you tonight,
I'm in love with you tonight,
And you know it feels all right!

So, let it rain!
Let it rain!
So, let it rain!
Let it rain!
