THE WAR OF HEARTS AND MINDS

war of hearts and minds
who will pay the price?
does anybody care?
it's not make believe
you've seen it on your tv screens
i'm glad you're not here

take my wife please
if you think it's funny
cut my heart out for a souvenir
take my life please
if you think it's worth it
i'm glad you're not here
i'm glad you're not here

war of hearts and minds
7 days later
i still can't find
truth and peace
how will i find my way
they say love, love without fear
is said to be the key
but just look around
no clear answer to be found
get me out, get me out, get me out

take my wife please
if you think it's funny
cut my heart out for a souvenir
i'd rather it be me
in this tragic comedy
i'm glad you're not here
i'm glad you're not here

take my wife please
if you think it's funny
cut my heart out for a souvenir
take my life please
if you think it's worth it
i'm glad you're not here

i'm glad you're not here
i'm glad you're not here
i'm glad you're not here
