Ain't no sunshine when she's gone.  
It's not warm when she's away.  
Ain't no sunshine when she's gone  
And she's always gone too long anytime she goes  
away.

Wonder this time where she's gone,  
Wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home anytime she goes  
away.

And I know, I know, I know, I know, I know,  
I know, I know, I know, I know, I know, I know, I know,  
I know, I know, I know, I know, I know, I know,  
I know, I know, I know, I know, I know, I know, I know, I  
know

Hey, I ought to leave the young thing alone,  
But ain't no sunshine when she's gone. ain't no  
sunshine when she's  
Gone, only darkness everyday. Ain't no sunshine when  
she's gone,  
And this house just ain't no home anytime she goes  
away.

Anytime she goes away.  
Anytime she goes away.  
Anytime she goes away.  
Anytime she goes away.
