Sandwiches are beautiful,
Sandwiches are fine.
I like sandwiches, I eat them all the time;
I eat them for my supper and I eat them for my lunch;
If I had a hundred sandwiches, I'd eat them all at once.

I'm a roaming and a rambling
And a wandering all along,
And if you care to listen,
I will sing a happy song.
I will not ask a favor
And I will not ask a fee,
But if you have a sandwich
Won't you give a bite to me?

Sandwiches are beautiful,
Sandwiches are fine.
I like sandwiches, I eat them all the time;
I eat them for my supper and I eat them for my lunch;
If I had a hundred sandwiches, I'd eat them all at once.

Once I went to England,
I visited the Queen,
I swear she was the grandest lady
That I've ever seen.
I told her she was beautiful
And could not ask for more,
She handed me a sandwich
And she threw me out the door.

Sandwiches are beautiful,
Sandwiches are fine.
I like sandwiches, I eat them all the time;
I eat them for my supper and I eat them for my lunch;
If I had a hundred sandwiches, I'd eat them all at once.

A sandwich may be egg or cheese
Or even peanut butter
But they all taste so good to me,
It doesn't even matter
Jam or ham or cucumber,

Any kind will do.
I like sandwiches,
How about you?

Sandwiches are beautiful,
Sandwiches are fine.
I like sandwiches, I eat them all the time;
I eat them for my supper and I eat them for my lunch;
If I had a hundred sandwiches, I'd eat them all at once.

Sandwiches are beautiful,
Sandwiches are fine.
I like sandwiches, I eat them all the time;
I eat them for my supper and I eat them for my lunch;
If I had a hundred sandwiches, I'd eat them all at once.
